3. Your Obligations as a Creator

By signing this agreement, you confirm that you will:

- Maintain a verified Stripe account connected to your 4Us profile before each cycle ends.
- Promote your events through legitimate, organic channels only.
- Use 4Us platform tools to verify check-ins at all free events.
- Notify 4Us within 48 hours of any event cancellation, postponement, or material change.
- Report any suspected abuse, fake RSVPs, or fraudulent ticket purchases you become aware of.

Marketing Deliverables

For each sponsored event, you also agree to the following marketing commitments:

- **Primary link:** Use the 4Us event link as the primary link in all promotional content. No other platform may be featured more prominently.
- **Social tag:** Tag @4us.app in at least one permanent promotional post per event on any social platform used to promote the event.
- **Flyer branding:** Include “Powered by 4Us” or the 4Us logo on the event flyer. Bottom corner or footer placement is acceptable.

Repeated failure to meet marketing deliverables across two or more events may result in suspension from the program. 4Us reserves the right to request evidence of compliance.

4. Prohibited Conduct

The following actions will result in immediate disqualification, forfeiture of all pending payouts, and potential permanent removal from the program:

- Generating fake RSVPs or ticket purchases through bots, fake accounts, or any artificial method.
- Marking attendees as checked in who did not physically attend the event.
- Buying tickets to your own events through alternate accounts.
- Coordinating with others to artificially inflate ticket or check-in counts.
- Submitting false or fabricated attendee data.
- Collecting, exporting, or using attendee data outside of the 4Us platform.

4Us reserves the right to audit any creator’s data at any time. If fraud is confirmed, previously issued payouts may be clawed back.

5. Refunds & Chargebacks

If a ticket is refunded after a payout has already been issued, you are required to return the sponsorship amount for those refunded tickets (\$0.50 per ticket). 4Us will notify you within 5 business days of any post-payout refund. You must return the applicable amount within 30 days of notification, or it will be deducted from your next cycle’s payout.

6. Disputes

You have 10 business days from receiving your payout report to raise a dispute. Disputes are resolved by reference to the 4Us Creator Sponsorship Policy. Where a dispute cannot be resolved by policy reference alone, the 4Us team will work with you directly to reach a fair resolution.

7. Program Changes

4Us reserves the right to modify the terms of this program with 30 days' written notice. The RSVP Track is a 90-day pilot and may be extended, adjusted, or discontinued following the pilot period, with a minimum of 30 days' notice before any adverse changes take effect.
