

4Us Creator Sponsorship Program

Everything you need to know to get paid for growing your events.

Organizer Guide | Version 1.0

What Is the Sponsorship Program?

4Us will pay you for every eligible ticket sold through our platform. The more tickets your events sell, the more you earn — it's that simple. There are no upfront costs, no exclusive contracts, and no platform-tier requirements. Any creator with a 4Us account can apply.

The program runs on two tracks depending on your event type:

Paid Event Track — Earn \$0.50 per eligible ticket sold through 4Us

Free Event / RSVP Track — Earn \$0.15 per verified check-in (90-day pilot)

How You Get Paid

Paid Events

You earn \$0.50 for every eligible ticket sold through 4Us in a 30-day cycle. Here's what makes a ticket eligible:

- The ticket price must be \$10.00 or more.
- Only the first 2 tickets in any single order count toward your sponsorship total. Buyers can still purchase more — those extra tickets are sold normally, they just don't add to your tally.
- Tickets must be purchased through 4Us. Sales through third-party platforms, at the door, or via cash/Venmo don't count.
- Complimentary tickets, press passes, or \$0-tickets don't count.
- Refunded tickets are deducted from your total.

To qualify for a payout, you need to sell at least 200 eligible tickets in a single 30-day cycle. You can reach this across multiple events in the same cycle — they all stack together.

Your payout is capped at \$2,500 per cycle.

Free Events / RSVP

Running a free event? You can still earn through our 90-day RSVP pilot. You earn \$0.15 for every attendee who RSVPs and checks in at your event.

To qualify, you need 200 verified check-ins in a 30-day cycle. Check-ins are verified using the 4Us app. We run internal fraud detection on all check-in data — if anything looks suspicious, we may follow up with you for additional details.

Your RSVP payout is capped at \$1,500 per cycle.

Payout at a Glance

Paid Event Track

Term	Detail
Minimum to qualify	200 eligible tickets in a 30-day cycle
Rate	\$0.50 per eligible ticket
Cap	\$2,500 per creator per cycle
Minimum ticket price	\$10.00
Max tickets credited per order	2 tickets
Cycle length	30 calendar days (1st to last day of month)
Payout timing	Within 14 business days of cycle close
Payment method	Stripe (you must have a verified Stripe account)

Free Event / RSVP Track

Term	Detail
Minimum to qualify	200 verified check-ins in a 30-day cycle
Rate	\$0.15 per verified check-in
Cap	\$1,500 per creator per cycle
Check-in method	QR code scan via 4Us app — internal fraud detection applied
Duration	90-day pilot — terms reviewed at end of pilot
Payout timing	Within 14 business days of cycle close
Payment method	Stripe (you must have a verified Stripe account)

Running Both Paid and Free Events?

You can participate in both tracks in the same cycle. Each track is calculated and capped independently. Your combined maximum in a single cycle is \$4,000 (\$2,500 from paid events + \$1,500 from RSVPs).

Getting Paid

All payouts are processed through Stripe. You must have a verified Stripe account connected to your 4Us profile before the cycle ends — payouts cannot be issued without it.

- Payouts are issued within 14 business days of cycle close.
- Stripe payout fees are your responsibility.

Keep It Clean — What's Not Allowed

The program is built on real attendance and real ticket sales. The following will result in immediate disqualification, forfeiture of your payout, and possible permanent removal:

- Fake RSVPs or ticket purchases (bots, fake accounts, click farms).
- Marking attendees as checked in who didn't actually attend.
- Buying tickets to your own events through alternate accounts.
- Coordinating with others to artificially inflate numbers.
- Submitting false or fabricated attendee data.
- Collecting or exporting attendee data outside of 4Us.

4Us may audit any creator's data at any time. If fraud is confirmed, previously issued payouts may also be clawed back.

Questions or Disputes?

If you believe there's an error in your payout, you have 10 business days from receiving your payout report to raise a dispute. Our team will work with you directly to find a fair resolution.

Reach us at info@4us.co or [@4us.app](https://www.instagram.com/4us.app) on Instagram

4Us reserves the right to modify program terms with 30 days' written notice. The RSVP track is a 90-day pilot and may be extended, adjusted, or discontinued following the pilot period.
